

los diez mandamientos:

1. no fajitas.
2. no nachos.
3. no cute clay or adobe plates to match the cute clay or adobe décor.
4. crema fresca...not sour cream.
5. no tableside guacamole show.
6. no fajitas
7. no fancy menus with a history lesson on mexico.
8. no "mini tacos" or "mini chimis" or anything else "mini"
9. no pillow-size burritos.
10. no tacky red, white, and green uniforms with a red sash around the waist.

did we mention no fajitas?

**there's no substitution for
the real thing.**
